

CERTIFICATE OF COMPLETION

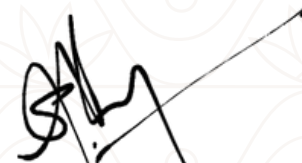

This certificate is proudly awarded to

Bhuvanesh M

This is to certify that Bhuvanesh M
has successfully completed a 3-month internship as a Generative AI intern at Zeno Talent from Nov to Feb.
During this period, he demonstrated dedication and actively worked on various tasks and projects involving Python programming, data visualization, and machine learning concepts. He showed a strong willingness to learn and consistently applied his knowledge effectively throughout the internship. He has successfully completed a spend analysis project, during which he worked with great dedication and delivered his work efficiently and professionally.
We wish him all the best in his future endeavors.
